

TAKING A STAND THROUGH ART

Social Justice Artist: Graphic Organizer

INSTRUCTIONS

Use this chart to explore how the artists you've explored have addressed social justice issues. Focus on the topics in the **Strategy** column and write down what you've discovered about the artist and his or her around social justice. Then reflect:

- What characteristics do the artists share?
- How do they see their work as a catalyst for social change?
- Based on what you learned about each artist's approach to social justice, what qualities should an effective project have to effect social change?
- What does their work suggest about artists' role in and responsibility for social injustice?
